Loyal Reid Golfers,

I want to take this opportunity to extend another very big "THANK YOU" for your patronage this season and being loyal to Reid Golf Course. I know I say this every year but Mother Nature really had it out for golf in Wisconsin this year! From a record snowfall in April delaying the course opening to record rains after a great May, June and July to the inevitable mosquitoes which followed and finally a cold end of the season, I

can honestly say from a superintendents perspective we did a lot of things for the first time in my career to keep or get the course playable! Our staff gave it our best to make the year enjoyable to each and every golfer who came through the doors. I really enjoyed serving your needs (even if the course was open a month less than past years) and would appreciate any feedback on your 2018 experiences, please email me directly at jeff.plasschaert@appleton.org.

The 2018 season could not have been a success without our great staff. I really enjoyed hearing comments from you regarding your interactions with the staff this season, they are usually having just as much fun as you!

The pro shop will be open for all of your holiday shopping needs this holiday season, hours continue Monday through Friday from 10:00-2:00 p.m. On December 13th and 14th the clubhouse will be open until 6:00 p.m. and Saturday the 15th from 10:00-2:00 p.m. for your last minute needs. Keep up with holiday promotions by liking our Facebook page.

Hopefully winter will go by quick and allow for a prolonged golf season next year, I know we all want to take advantage of more golfable days! I look forward to seeing you in 2019 and stop by to say hello at the Fox Cities Golf Expo February 8-10th at Players Choice!!

Think Spring,

Jeff Plasschaert
Golf Course Superintendent
