Junior Golf Lessons

This program is designed to help individuals aged 7-13 develop the skills needed to enjoy and succeed at golf. Participants will experience a well-rounded curriculum which will focus on the core areas of swing mechanics, short game, etiquette and strategy. Skills will be developed through engaging activities and games utilizing different areas of our facility. *Clubs available if necessary.*

Beginner - this program is designed for participants with little to no golf experience. Basic swing mechanics (grip, stance, backswing, down swing), putting technique, general terminology and etiquette will be introduced in this program.

Intermediate - this program is for participants who have already developed a basic golf skill set. Focus will be on improving accuracy, power, shot making, and strategy.
