Loyal Reid Golfers,

I want to take this opportunity to extend a very big "thank you" for your patronage this season and being loyal to Reid. I know Mother Nature tried to ruin some of our fun in the late summer but we did our best to overcome and make this a great year. I really enjoyed serving your needs and would appreciate any feedback you would like to give me about your 2016 experiences. Please contact me at jeff.plasschaert@appleton.org with comments and look for an end of year survey in the next few weeks.

This year could not have been a success without our great staff either! I really enjoyed hearing the feedback from some of you regarding your interactions with the staff this season, they usually are having as much fun as you are.

Hopefully winter will go by quickly and allow for another prolonged golf season. We look forward to seeing you in 2017!

Think Spring,

Jeff Plasschaert
Golf Course Superintendent
