## Loyal Reid Golfers,

I want to take this opportunity to extend a big THANK YOU for your patronage this season and being loyal to Reid. Mother Nature tried to ruin most of our golfing days this year but we did our best to overcome and make 2019 a great year. Officially Reid recorded 172 golfable days out of the possible 212 days Reid was open. It is amazing to think during the golf season we lost over a month of playability due to weather. Hopefully next year the weather will start to even out after setting precipitation records in 2018 and 2019.

This year could not have been a success without our great staff! Brian and I really enjoy hearing the feedback from some of you regarding your interactions with the staff this season. They usually are having as much fun as you are and we hope to have many of this season's staff return in 2020 to make your experience great again!

Hopefully winter will go by quickly (although it seems to have started much earlier this year) to allow for a prolonged golf season. Finally the staff at Reid and I really enjoyed serving your needs and would appreciate any feedback you would like to give me about your 2019 experiences. I can be contacted directly at: [jeff.plasschaert@appleton.org](mailto:jeff.plasschaert@appleton.org). See you in 2020!

Think Spring,

Jeff Plasschaert  
Golf Course Superintendent
